

## PERSONAL INFORMATION

**Maciej Jerzy Paśnikowski**

 Calle Vara de Rey 20, Esc 2, 3B, 28045 Madrid, Spain

 (+34) 633 555 473

 [maciej.pasnikowski@gmail.com](mailto:maciej.pasnikowski@gmail.com)

Gender Male | Date of birth 10 July 1987

Nationality Polish

## PROFESSIONAL EXPERIENCE

July 2013 – Present **GNSS Navigation Engineer & Marie Curie ITN Early Stage Researcher**

Name and address of employer GMV Aerospace and Defence S.A.U., Madrid, Spain

Main activities and responsibilities Research on navigation in harsh environments: characterization of the GNSS observables behavior in urban propagation conditions. Searching for a trade-off among existing techniques of navigation, mainly focusing on carrier-phase techniques and integrity of the solution. My work is performed under MULTI-POS (Multi-technology Positioning Professionals) - the FP7 Marie Skłodowska-Curie Initial Training Network (ITN), supported by the European Commission.

March 2015 - August 2015 **Invited researcher**

Name and address of employer Universitat Autònoma de Barcelona, Bellaterra (Barcelona), Spain

Main activities and responsibilities During my stay as a researcher at UAB, I worked as a researcher with Signal Processing for Communications and Navigation (SPCOMNAV) group. I participated in the research regarding multipath detection in navigation in constrained environments, working on several articles about multipath detection and challenges for integrity for navigation in urban environments. The work was performed as a secondment in MULTI-POS Marie Skłodowska-Curie ITN, supported by the European Commission.

September 2011 - June 2013 **Technical Support Engineer**

Name and address of employer TPI Sp z o. o., Warszawa, Poland

Main activities and responsibilities Testing and implementing the newest surveying solutions in the offer of TPI Sp. z o. o., the official distributor of Topcon and Sokkia geodetic and surveying instruments, and software in Poland Design, installation, implementation and maintenance of CORS network (over 120 stations) of TPI Sp. z o. o. ( TPI NETpro)

April 2011 - August 2011 **General assistance for applications and services group**

Name and address of employer Astri Polska Sp z o. o., Warszawa, Poland

Main activities and responsibilities Assistance in development of the Applications and Services division, looking for market opportunities for a newly created company

October 2010 - June 2011 **Teaching assistant intern**

Name and address of employer Warsaw University of Technology, the Faculty of Geodesy and Cartography, Warszawa, Poland

Main activities and responsibilities Teaching in laboratory classes within the courses of Geodesy and Satellite Geodesy, Department of Geodesy and Geodetic Astronomy; assistance in the research projects conducted in the Department

## EDUCATION AND TRAINING

May 2014 – Present **Doctor of Philosophy studies in Electronic and Telecommunication Engineering**

Name of the university Universitat Autònoma de Barcelona, Bellaterra, Barcelona, Spain

Working title of the thesis: "Advanced assistance services of high performance in harsh environments"

February 2010 - December 2011 **Master of Science in Engineering**

Name of the university Warsaw University of Technology, the Faculty of Geodesy and Cartography, Warszawa, Poland

Principal subjects Geodesy and Cartography with the major in Geodesy and Satellite Navigation

MScE thesis title: "Influence of individual GPS antenna calibrations on station positions in a GPS regional network"

October 2006 - February 2010 **Bachelor of Science in Engineering**

Name and address of the university Warsaw University of Technology, the Faculty of Geodesy and Cartography, Warszawa, Poland

Principal subjects Geodesy and Cartography

## PERSONAL SKILLS

Mother tongue Polish

Other languages

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C2	C2	C1	C1	C2
Spanish	C1	C1	B2	B2	B2

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2: Proficient user  
[Common European Framework of Reference \(CEF\) level](#)

**IT skills and competences**

- Good command of Matlab – code development for research purposes in EC IGNSSRX project and for other research purposes
- general knowledge of Perl and Bash scripting gained during master thesis and PhD research
- knowledge of Windows, Linux and Mac OS X operational systems
- abilities to use office equipment (e.g. word processing, spread sheets, powerpoint, email, internet, etc.) and creating documents in  $\text{\LaTeX}$

**Organisational skills**

- Prioritizing, attention to details, analytical skills, ability to determine the problem - gained during my research work at GMV and PhD studies
- Communication skills, team skills, problem solving, ambition to motivate myself and team members, tracking tasks and multitasking – skills gained through work for Students' Union at the university
- Organizing work of the team members - gained in Students' Union and coordinating work of CORS installation team at TPI Sp. z o. o.

**Social skills and competences**

- Team spirit evolved during work in Students' Union
- good ability to adapt to multicultural environments, interacting with people at different levels gained through my work experience in ITN MULTI-POS

**Other relevant skills and competences**

- Reading volumes of material, writing scientific papers, writing reports, applying professional knowledge, gathering information — gained at research work in GMV and PhD research

## ADDITIONAL INFORMATION
